

CUPE Ontario is holding an important telephone town hall on the Ontario election this Wednesday, May 16th at 6:30 PM.

There is so much at a stake in the provincial election on June 7th and we have the power to stop service cuts and job losses.

We are asking all CUPE Ontario leaders and activists to join this important telephone townhall to learn more about:

- what's on the line in this election; and,
- what we can do to elect a government that invests in our communities and makes life more affordable for workers.

To join the call, you can either answer the phone when we call at 6:30 of Wednesday evening or you can dial in directly by calling 1-877-229-8493 and entering the access code: 114235#.

If you would like to participate in the call in French, call 1-877-229-8493 and enter the access code 114915#.
