

CUPE Ontario awarded your 2190 President Nancy Simone with the Health and Safety Award at the CUPE Ontario 55th Annual Convention.

Nancy was given this prestigious award for all her significant contributions she has made to make sure we the members can be safer every single day.

Nancy's activities included and continue to include:

- Improved workplace conditions to promote Health and Safety;
- Helped recognize occupational illnesses and diseases;
  - Solved problems for CUPE members;
- Advocated on behalf of Health and Safety rights;
- Achieved victories for Health and Safety; and
  - Establish precedents.

We the members thank you, Nancy, for all your hard work and dedication.
